Letter from the Head of School

Dear Parents,

Happy & Safe Winter break!

I would like to wish you all a happy, festive and above all, a safe winter break! It has been an unprecedented year, with ongoing challenges from the pandemic. Whilst we must take a break from work and school to recharge, we must also remain vigilant and take responsibility for protecting ourselves and others by following advice from the government. I trust that you have all read the information <https://www.krisinformation.se/en> that was sent nationally this week.

Thank you for contributing to our School community this term, through the many forums from PTA to Parent Council, and in the crucial role of supporting student learning! We also launched our new School Goals this term and invite you to review them at the following link, so we can work on them together in 2021: [School Goals](#)

We look forward to the Spring term with students scheduled to return to school on Monday, 11th January, 2021 - but please check SchoolSoft and ManageBac for any alterations to the schedule in specific sections of the school.

For students and families who are leaving us for other countries or other schools we wish them the best of luck!

God Jul och Gott Nytt År!
