

19th April 2022, Gothenburg

Letter from the Head of School

Dear Parents,

I hope you have had a good break from the school term and enjoyed some early spring weather!

As it is always important to provide the best level of safety for students and staff, we are starting back to school with a reminder of the importance of following our routines.

Students must always use the main school entrances and never side doors, which could then remain open to people who don't belong to the school coming inside. Parents and other visitors should only come into the school with a confirmed appointment. Parents and visitors must also only use the main school entrances, and go directly to Reception to sign-in and receive a visitor's badge, which must be worn at all times while in the school.

This week we have a guard at the entrance to Götaberg campus to help support our routines and ensure that only people permitted to enter the school are coming inside. We want to ensure a safe and secure environment, so that teachers and students can focus on learning!

We wish you and our students the best of luck for the remainder of the school year. With signs of spring here now, we also hope you enjoy this time of year in Gothenburg!

Kind regards,

Birgitta Sandström Barac

Head of School
