Letter from the Head of School

Dear Parents,

We are nearing the end of the academic year. It is a busy time for all, as students finalise assignments and teachers finalise assessments - all this with the excitement of completing a grade level and contemplating the next steps for each student.

There will be a graduation ceremony for grades LgrM9 and MYP10 in the Hvitfeldtska Aula on Tuesday 14th June commencing at 11.30. Two families members per graduating student are welcome to attend. MYP6-9 students will have an end of year gathering in the Götaberg Aula on the 14th June from 10.00 to 11.00 and LgrM6-8 will end the year with celebrations in classrooms with their mentor.

For LgrP5 and PYP5 there will be a graduation ceremony on Monday 13th June at 18.00 in the Guldheden Campus schoolyard. As it is outside, all family members are welcome to attend - for those unable to attend, there will be a link shared to watch online. All other primary school grades end on Tuesday 14th June with celebrations in their classrooms.

For further information about end of year activities please refer to details from your divisional principal:

We wish everyone in our community a safe and happy end to the term. We also continue to wish for safety and peace in our global community. We continue holding our values strongly and continue making local and global connections to create a more peaceful world. The next Head of School letter will be sent in mid-June with information about the next school year.

Kind regards,

Birgitta Sandström Barac

Head of School
