

## Applications for grade PYP0 (Foundation) 2024-2025 Academic Year for children born between September 1<sup>st</sup>, 2018 and August 31<sup>st</sup>, 2019

If you are an international family, have a child born between September 1st, 2018 and August 31st, 2019, and would like to apply for a place at the International Section of ISGR, please submit your application by **April 30th, 2024** and demonstrate that you meet one of the below eligibility criteria.

The criteria for admission are set by the Swedish Education Act, Chapter 24 § 4. The students are prioritised in the following order:

1. Child of an incoming family moving to Sweden, whose parent has been given an international or local assignment with a company or organisation in the Gothenburg Region due to the parent's specific expertise. The intention is for limited contracts. The workplace must provide a certificate of employment.
2. Students of families moving to the Gothenburg Region who have attended an international school abroad for the major part of their education and therefore have a reason to fulfil their education in an international school.
3. Families who have a confirmed move abroad on a work contract with a fixed date of departure within 12-18 months and need their children prepared for entering a recognised international school abroad.
4. Students permanently living in the Gothenburg Region who have English as a mother tongue i.e. speak it on a daily basis with one or both guardians AND who have sufficient knowledge of the English language to follow and participate in the teaching and learning.

If offered a place, the student must start on the first day of school in August 2024.

There are no intakes into the PYP0 (Foundation) during the school year for students already living in Gothenburg, and there is no possibility to enter directly into the PYP1 the following year.
